

Make a dream catcher, a mother's day card for Mom. Get dirty in the backyard with a bug hunt and explore with some cloud dough! Then grab some markers and creativity to make your own comic strip story. Have a fun week!

Don't forget to make Mom a Mother's Day card!

Below: Make paper plate dream catchers. Cut the center out of a paper plate and use a hole puncher to make holes around the plate. Use string to criss-cross through the holes like a spider web. Color and decorate and hang up for sweet dreams!

Kids Activities You Can Try at Home!

Dough as Soft as a Cloud— Cloud Dough!

What you need: Roughly 2 cups of flour (or more), baby oil, mixing bowl and spoon

What you do:

Mix equal parts of flour and baby oil together until blended well into a dough similar to damp sand. Add more flour if soupy and more baby oil if dry and crumbly.
